My heart and prayer goes out to the entire Mayoral family during their time of bereavement. May you all be comforted with the love and encouragement of family and friends. May the memories of your beloved husband and father keep your hearts and mind at peace. Although I never had the delight in meeting Mr. Angelo Mayoral in person, I know he was a wonderful person from the loving words his daughter Vicky used to describe his character and his relationship with his family. I know he will be dearly missed by you all. Just know that he has given you everything that you need in order to move forward. May the Lord bless you and keep you in perfect peace.
