The priests of the diocese of Wilmington received an email informing us of Fr. Mark's sudden death. Very sad news, to be sure. But since his passing I have heard so many wonderful things about this amazing child of God.... his gentle and holy spirit, his loving and authentic Presence, his brilliant homilies.... to view the beautiful tribute on YouTube in honor of his 25th anniversary as a priest says so much more than my little words of love could offer. Thank you Father Mark Connelly. You are now held in fullness of God's loving embrace. May we hold on to the witness of faith and goodness that you shared with so many. Blessings and consolation to you Mother and family. peace.

Father Mark was a remarkable priest, one in a million. He had a great sense of humor He seemed calm cool and collected. His homilies were memorable, more recently he told a story of giving out candy for Halloween and a little boy says "I know you, you are the Pope" Father then gave him 2 pieces of candy. He also spoke often of his experiences as a priest and anecdotes about his nephews His messages about the readings were memorable. He died doing what he loved and with God. Now he is with God, angels and saints. He will be sadly missed by so many. May he rest in peace. Our deepest sympathies to his mother and his family and his church family and Pastor Jim.

Mark was a precious, humble, solid faith filled priest that truly touched the lives of all who knew him. We were so blest to have him as part of our church family here at St. Jude's Parish. His submission to God through his spiritual exercises of prayer and of spreading the gospel with his inspiring homilies have impacted us all. He was a "storm trooper" of the Catholic Church and for that we will be forever grateful. May the soul of Fr. Mark through the Mercy of God rest in peace. Amen
