My sincerest condolences to Joan, Faran, Erin, Desi, Julie, Jamie, Andy and all Larry's grandchildren. I first met Larry in Annapolis when he offered to help me by installing my garage door opener with Faran's and his help. In the 16 years I've known Larry (my grandchildren called him Kapy), I can honestly say, he was the kindest, most loving friend I've ever known. Joan, you were so deeply loved by Larry. You were his perfect match. Faran and Desi – he was exceptionally proud of both of you and often spoke of you with a deep and lasting love. Jamie, he loved you as his new daughter. Andy, he was so happy to have you for his sister and loved you very much. My heart and prayers go out to all of you as you grieve his passing. We all honor his memory and will miss him. His passing leaves a whole in in all of our hearts. May all of your fond memories of him comfort you in the days ahead. You are in my thoughts and prayers.

Larry was our neighbor, friend and fellow golf competitor at HS. He didn't have a lot of time to enjoy playing golf post retirement, but he so loved the men's group that he participated in the member guest tournaments in both leagues and was an officer. I recall the first time I saw Larry - he and Phil were on the driving range, learning golf together!! He will be missed by all those touched by his life. Joan, Desi, Faran and Jamie, May your memories of Larry bring you peace and comfort in the days ahead. Kathleen & Carlos
