Dear Cindy, Logan, Phillip, Jason and family members of Thom, Our prayers are with you. Just as we watch a seagull fly higher and higher in the sky, toward the sun...into the light...it disappears to our human view, but we know it continues on. We know that Thom continues on, unseen to our eyes, but in our hearts forever. We can't even begin to explain the friend and help that Thom was to us, all the years we knew and loved him. Brenda is particularly grateful to have spoken with him for close to an hour on August 5th. He was his usual exuberant and upbeat self. And, I'm sure he will continue to be...foreverheld in the arms of divine Love. God Bless and Comfort each and every one of his family members and friends.

As a member of the class of '75, I have many fond memories of Thom. He was a wonderful friend to all of us. Wow, I can't believe he is gone. My best memory is that he was the person I was talking to in Junior Class play practice, when we were running late, and my Dad came looking for me. Thom thought HE was going to be in trouble.

I first meet Thom many years ago thru a good friend. He was the most down to earth person I had ever know. When my truck got clipped on the Coastal Hwy about 10 yrs ago, he helped me get it roadworthy so I could drive it home to NY. A good friend that will be missed greatly.
