I will always remember Mary Lou's cheerful welcomes to Beebe Hospital. As a regular in the cardiac rehab program, I saw her often. She has been missed and will continue to be. Sincerely, Mary Beth Crafts

Mary Lou and I were long time Beebe employees and she was a familiar face in the main entrance lobby providing individuals with directions--her presence will be missed

dear family, I was deeply saddened to hear of your loss. Mary Lou was a huge part of my life growing up. As I'm sure you all know that Mary Lou and my mom (Carol) met many many years ago and remained great friends until the passing of my mother. I would have like to come and pay my respects but i understand that the service is private. Please know that all of you are in my thoughts and prayers in this difficult time.
