We are so sorry for the loss of such a wonderful friend but mostly for your loss of such a loving partner. He will always be remembered for his outrageous laugh and for his catch phrase of... well we all know what that was! May you find comfort with the coming days and hold on to the love in your heart and the memories in your dreams. Our hugs are out to you.

To Raymond family, both Gene and I are sadden by the death of a friend, whom we just recently meet on a cruise. I remember Raymond bright smile as we would have coffee on the deck of the ship. His pleasant personality and his friendliness, where we became friends at once. Yes another has been called home to be with Christ, but Raymond will always be in our thoughts along with smiling face.
