My deepest condolences go out to all of you. I only spent about 6 hours total with George but we had a good time sharing a few drinks talking about his childhood and his children. I know he wasn't an outwardly emotional man but when he spoke of his family his eyes shone with love. I hope your faith gets you through this sad time but always remember don't make the day be passed away the defining moment of his life, make the memories overshadow the date. Michelle, Jack, Margo, Denise and Peggy, I am sending my love and prayers to you and the rest of your loved ones. It's not goodbye it's till we meet again. XoXo
