Ron I know you are with the one you loved to the end. Words cannot express how sorry I am that I was unable to be there with you physically. I know you are in heaven with Billy and my mother. I know you guys are all smiling down at everyone. My prayers go out to Ron's family and friends. He was an awesome person to meet. He was full of life. I am sure he was till the end of time. Keep your eyes to the sky. Fill not your heart with pain and sorrow, but remember Ron in every tomorrow. Remember his joy, laughter and smiles.

May you family find peace knowing that Ronnie led a funfilled life. Dwell on all the good memories and great times all of you have of him. I did not know him well (other than working with him at Burger King--what a hoot). Seems like he packed ALOT of life into his 55 years. God Bless.

I was thrilled when you sent me a friend request on FB over 2 years ago. Nothing had changed between us in all the years we lost touch, we just kept going just where we left off. We were sure 2 peas in a pod and nurtured our passion for life and FUN.....You were the first person I could be my true self with and not have to pretend and lie about who I was and how I live my life.....Thank You for that....and thanks for sharing with me your beautiful and kind soul to which I learned much from....you will always be a part of me, and I will love all the rest of my days, and I will see you again when the time comes....keep singin' and dancin'.....I miss you.....
