Dear Sherry, I happened upon Gloria's obituary tonight while searching for our grandparent's birth records. I am so very sorry to learn of her passing and regret I missed opportunity to keep in better touch with her in the years after her move to Delaware. I admired and was always very fond of your mother and remember her special kindness to me after my father's passing and during my mother's illness as well. I hope you and I can restore contact sometime soon. I know how close you and she were, and the first anniversary of a parent's death - coming up for you this January - can be very difficult. I hope Gloria died peacefully and did not suffer. I don't know how to find you. Please use my email entered here if you would like to be in touch. I'm currently living in Boston and Princeton. Thom is in Hunterdon County NJ and LA. He also cared for Gloria and would love to know how you are. We both travel a great deal. love, Anne
