Dear Katie, Your mother was my Union brother's sister. I have known your uncle Brian for decades. His Irish spirit and friendship throughout our safety work at ABC gave me a sense of who your mother must have been and I regret we never met. My deepest condolences are extended to you and your family. Her infectious smile reveals a special woman and mom. Peace and love, Henry E. Plimack

I can't imagine having a better or more loving sister than Patty. All of us whose lives she touched will be forever blessed with memories of her fun loving, generous and welcoming way. Although I will grieve her passing and miss Patty for some time to come, I feel comfortable that she is looking down on all of us and wishing us a good life. That would be the way she would want it.

Patty, you were and always will be a well respected and well loved part of our family. You always had a warm smile on your face and would go out of your way to make us feel at home and appreciated. Your time on this Earth was way too short but a blessing for all who were fortunate enough to have you enter their lives.

I'm so sad and thinking about all of you. Though I haven't lived close enough to family to make it to all events, I will always remember Patty's sunny and bubbly disposition. I still have very fond happy memories of Patty and Billy's visit in Playa del Rey and our exploration of Hollywood. You just couldn't not smile when Patty was present. Love you all so much! Mary Ann
