My heart goes out to friends and family of Donnie. In life, you do not have many friends for life, and even though we saw each other only a few times a year, Donnie was always a good friend to me. I know he will be missed. Rest in peace, my friend.Rick Jones

I miss you so much and love you that much more. I wish we could have had more time with you. You are a true inspiration to all of us who watched you lose the battle to a terrible sickness. You showed me how to except a lot of thing we have no control over. You are a very strong person. you were ready and we were not however I understand the pain you have endured through this past year. We will all be together in the end. Thank you for our talk that we had you were very brave and did things you way that had to do what makes you an awesome brother and friend. You made me realize that everything is going to be OK like when we were young and you use to tell me this it has only taking me 48 years to realize yes it is going to be alright.
