I have a fond memory of Deanna and Jimmy Christmas Tree hunting in the woods. Jimmy went one way and Deanna the other. Deanna got so mad at Jimmy. She said you can never find him when you want him. Deanna found a tree and she wanted Jimmy to cut it down. She was so mad. Deanna said she would never do that again. Chuck and I laughed so hard. The good part of this story is, she has found Jimmy now. I am sure they are so happy to have found each other. Love you both. Linda Stanley
