From the first day I met Tom Grammy has showed me nothing but kindness for the past 17 years. I have never met someone like her never once in those years have I ever heard her angry or talk down on anyone and I will miss her

Lois was a light in all of our lives at Brandywine - her spirit inspires us to be kind to everyone and to always find a reason to smile. We will miss her terribly. One of my favorite memories of Lois is when I asked her to hem my pants. She returned them to me and said "I also moved the button out on your waist - I noticed they've been getting a little tight."
