Dearest Nancy. Your extended family in Iowa thanks you for making so many Christmas Eves special over the years. The Maytag Blue Cheese family is mourning your passing as well. You were the only person I knew that did not miss an opportunity to send a thank you card with a kind message. Your legacy lives on in your children and grandchildren. You are indeed a class act and will always be remembered fondly. Thanks for the memories. Agnes Curran Des Moines, Iowa

So sorry to hear about Nancy. Please know that you all are in my thoughts and prayers. I remember going to spend a long weekend with all of you in the summer of 1974 at Fenwick. We haven't had much contact since your Uncle Jimmy and I divorced but your Mom was a friend. She taught me how to make twice stuffed potatoes when I was a young bride with very little culinary skills. I know how much you will all miss her. Beverly
