As a Louviers' secretary, I remember Bob as a fine co-worker when he was in one of the groups that I served a LONG time ago. Also, as a long-time member at White Clay Creek, remember he and Shirley being a part of that fellowship for a short time. My sincere sympathy for your loss. God's comfort and peace to the family . . . Susanne Larson

To the Eline Family, my memories of Bob were as a very young employee of DuPont in the Textile Fibers group. Bob sat very near my cubicle always smiling and cheerful and very pleasant to work with and talk to. I learned a lot during my first work experience with our little group working for Jack Ferretti our boss and Bob and Nick Maliszewski's constant comical teasing while we worked on the drawings for various projects. I sure miss those days and having Bob to guide me in my daily work experiences as a new employee. So sorry for your loss. Life without Bob and DuPont will never be the same. I made 36 years thankful to have known nice people like Bob along the way. God Bless. Frances A. Clancy-Green, Bear, DE.
