We Kenmore high school graduates and members of MousePack, a group of crazy sports enthusiasts who grew up in Western New York, will miss our good friend David when we gather annually for our reunion in June. We always looked forward to see David at our reunions and hearing his latest stories about foreign service at some remote US embassy. We admired him for his service to his country and for his loyalty to his high school classmates and MousePack friends. We love you David and will miss you dearly! Dan Pitkin, KWHS Class of '60

Dear Nadine, Brian and Kelly. Please accept my deepest condolences on the death of David. My family and I really enjoyed our time in Bahrain that we spent with your family. One of the most memorable events was our stay in the desert over night. A good time was had by all, not to mention the Happy Hours. Take care as I know all of you will miss David.
