She was always ready to help different charitable organizations with spirit and smiles. She's with her sister and Helen Hurley. I'm sure they are chatting away with God. Thank you for being a friend to all of us.

Remembering the first time Betty and Frank visited my Mom (Marion Kremer) and the good time they had. Remembering the Thanksgiving lunches spent with Betty and Frank and Aunt Ruth and my family during the 90's. Remember all the phone calls, letters and emails from Betty informing us on the condition of her mother in law, Aunt Ruth, during the ten years Ruth was in a nursing home. Betty was a warm and caring person who leaves us with many warm and wonderful memories for me and my family.May she and her family always find the peace she gave to so many. Prayers and love always from the Kremer family of Alex, (The Pizza Man), Ruth and Steve Kremer.

When I think of Betty, I see a smiling face, a caring heart, and a willing hand. She was always helping raise money or working with the elderly. She touched many hearts here in Maryland and I am sure she did the same in Delaware.

Betty was one of the most kind, thoughtful and considerate women I have ever known. I've been blessed to have her as a close friend. She was always there for me and I regret that I couldn't be there for her since she moved away. She's been in my thoughts and prayers and I'll pray for her soul.
