Lois Mable Peterson

MAR 12, 1921 - MAR 24, 2016

Lois Mable Peterson, 95, of Lewes, passed away peacefully on Thursday, March 24, 2016 in skilled nursing at Cadbury Senior Lifestyles.

She was born in Minneapolis, MN on March 12, 1921 and worked as the secretary to the dean of the Dental School of the University of Minnesota.

Lois was the epitome of Navy wives, traveling up and down the east coast, San Diego, Hawaii, and Scotland. She was the president of the two largest dental wives clubs- San Diego and Washington, D.C. She was a gardener extraordinaire, who constantly won praise for her plants and gardens. At every station she was an active volunteer in knitting groups, church guilds and Red Cross grey ladies. She was a Boy Scouts supporter, winning bridge player and gracious hostess. At the Naval Academy, she was mother in residence to many midshipmen, but especially Scott Provo from Santa Rosa Beach, Florida and Philip Cullon of Washington, D.C.

She is survived by her husband, Dr. William A. Peterson, her sons, Charles Peterson of Bethany Beach, DE, and Blaine Peterson of Washougal, WA, and her three grandchildren, Leslie Hartzell of Ocean City, NJ, and Kirstin and William Peterson II, of Washougal WA.

Memorial Services will be held on Saturday, April 2, 2016 at 12:00 PM at Saint Peter's Episcopal Church, 211 Mulberry Street, Lewes, DE 19958, where friends may visit beginning at 11:00 AM. Interment will be private.

In lieu of flowers, donations can be made to Cadbury Senior Life Styles resident reserve fund, 17028 Cadbury Circle, Lewes, DE 19958 or Saint Peter's Episcopal Church Endowment Fund, P.O. Box 464, Lewes, DE. 19958.

Hi Uncle Bill, Chuck and family, Blaine and family, You are all in my thoughts. My memories of visiting you in various places, especially in San Diego when Kathy and I stayed with you for several weeks, will never be forgotten. Although I don't know if you recall, the summer we took a family vacation in Mystic? (I think this is accurate) with a Don pulling a trailer with our Impala (or maybe it was a Ford). I have vague memory of Dad emptying the sewage bin from the trailer mistaken on your street, causing quite the stir. I know all shared an active, involved life with many activities and a wide circle of friends. Your kindness was far-reaching. And I could always count on getting a handwritten birthday note from Aunt Lois. About a month late, which made my birthday seemed like it lasted for a long time--good thing. Love to you all, Maggie Fillmore

We have so many fond memories of Lois (and Bill) from the years that they were members of The Episcopal Church of the Ascension in Magnolia. Lois enjoyed life and shared her talents and warmth with all of us. Although we cannot be there in body, please know that our hearts are with all of the family, and we send love and prayers from Seattle. ~Jody and Bill Lemke
