Mom I miss you so much. You will never see me marry or your grandchildren grow up. The kids miss you too. They are very saddened they won't see you again. Now that we got everything taken care of I can just sit here and grieve. I keep thinking of the times when I was little and I was sick and you would comfort me. Or our car drives and the music we would listen to. I hope I make u proud and watch over me while your gone. Till we meet again your forever in my heart. Love you always mom! Your my guardian angel. Xoxo 😭 Your baby Dorothy
