I was in the Army Guard with Charlie a long time ago. We both worked in and around Newark ,so I saw him from time to time. Charlie was a very pleasant guy and fun to be around. He was a really a " Good Guy " from the old school description. So sorry I didn't keep up with him over the years. Condolences to the family. Ron Taylor

Sorry to hear of another "1960 Class Mate" passing. Thinking of Charles' family and would like to offer my sympathy in the loss of your loved one. We were classmates of EHS 1960. Glad that he was at our "50th" Class Reunion. I don't remember him being @ Schaefer's Canal House Luncheon but i didn't make every one of them. Praying for you as you walk this path of grief. Charles was a wonderful person with a passion for cars, like my Dad who was also named Charles. He will surely be missed. I couldn't think of a nicer couple than Charles and Betty Jo. Always a warm welcome in their lovely home. My thoughts and prayers go out to Betty Jo and their family.
