Oh Paula, I am so sad for you and the girls. Just learned today that George passed away. I have so many wonderful memories of the times we spent together. Water skiing when you all had the boat and dock business and summers at Dewey with you and our kids together. Watched the video and it brought tears especially the ones of your marriage and then your girls marriages. I'll be keeping you in my thoughts and prayers. Love, Chris McKenna

I have many wonderful memories of George. Most important was how he came to visit Bob in the last years of Bob's life. He would sit in the garage with Bob and they would talk about many things. I can still picture his truck in our driveway. I'm sure Bob will welcome him as he too will be with the Lord. My thoughts and prayers to you Paula and your family. George was a good man and will be missed by family and friends. Love and Blessings, Janet

Patricia and I are greatly saddened to hear of George's passing and express our deepest sympathies to Paula and the family. I met "Mr. Simpson" in the early 1960s when he was my Sunday School teacher in the basement of the old church on Baltimore Avenue. He continued in that role for several years as he encouraged teenagers like me to care about the Bible and the Christian faith. He was always a real gentle man and inspired me to teach Sunday School when I became an adult. I fondly remember taking my class of four sixth graders to a Phillies game with George in his station wagon in the mid-70s. He was always so kind to my Mother and looked out for her at Epworth in her last years. George will be greatly missed but not forgotten as a man of upright character, abiding faith and lover of his family and the church. George, well done good and faithful servant of our Lord and Savior Jesus Christ.Roger Truitt

From the time Jim and I started to attend Epworth, George and Paula Simpson were two examples of faithful church members who helped us to decide to make Epworth our home. I remember when he foresaw the need to have automatic opening doors to welcome those who entered. George had a smile which warmly welcomed everyone. A social message of love and understanding to Paula his loving caregiver. You both were blessed to have each other. Marjorie Mounts

Paula and family, Sharyn and I are very sad to hear the news of George's passing. George was such a wonderful, friendly person. I can truly say that I never heard him say a bad or unkind word about anyone. He was the type of person all of us aspire to be. As far as his dedication to his church, George serving for many, many years as the church's Financial Secretary earned him the joke nickname of "Count de Money" which he always laughed at. We are presently on a cruise and will be unable to attend George's funeral. Please know that we will keep both George and you, his family, in our heart and mind and will be making a memorial donation upon our return. All our love and our prayers, Fred and Sharyn Smith
