Dear sweet Aunt Janie, You were the only great Auntie who showed interest in me as a kid, as well as an adult. I am now a Great Auntie and am thankful to have had such a sweet wonderful person in my life. I wish we lived closer (me in California, you always on the East Coast), the distance made it difficult to see you, however the calls you made to me are forever imbedded in my heart. Aunt Janie, I want to thank you for all you did for me and my family. I am so sorry that I can not attend your wonderful celebrations this weekend. My heart is with you. I have had wonderful times with you. I remember the first time I met you. I thought you were a movie star. You were so perfectly put together. Everything just right. I was young, you gave me that wonderful white sweater. I kept it as long as I could. This last few years of talking to you on the phone weekly has been the best time. Thank you again. I couldn't of have an better example of a wonderful Christian Woman to look up to. And I also got that Smith attitude when I am upset and mad. All my Love. Arti

Sending sympathy to all Janie's family and friends from Wayne and myself! Janie and Jim have been part of our family ever since Wayne and I have been together (and long before I joined the family) and we have missed Jim since his passing! It will never be quite the same at all the holiday parties at Mom and Dad's home without her smiling face!! Even in the last few years while she was fighting so many battles--she was always smiling and jumping up to help snap the string beans -clear the table or dry dishes! She was quite the lady!! We are sure she will be an angel looking down on us and is now happy to be back with her Jim again!! RIP Janie!!!!!!!!!! Kathy and Wayne Dircks
