Oh how I remember so much love always coming from Aunt Betty and Uncle Granville when we were younger. I remember fondly the picnics in their backyard and I remember how Aunt Betty always took the time to talk with me no matter how busy she was. To just go back to those days if only for a brief moment. Aunt Betty gave me a piece of her purple lace hydrangea bush that was planted in her yard in Lewes, right near the side door. It was always so beautiful and she knew how much I admired it when Scott and I would come to visit. One visit she had lovingly dug up a piece and told me to take it home for my yard. It hasn't bloomed for a few years, but this year it is in full bloom. I will continue to remember her every year when I see that bush in bloom. I will miss her but am so thankful for having her in my life if only for a while. Our deepest sympathy and loving thoughts and prayers to Bob, Bill, Ralph, Aunt Susan and all of their families. She touched a lot of lives and is now sitting with her Lord and Savior for sure. With love, Scott and Bonnie Simmons Rodgers
