# Timothy Joseph McClanahan

JUN 29, 1970 - JUL 11, 2016

**T**imothy “Tim” Joseph McClanahan passed away on Monday, July 11, 2016 following a rescue training accident. He was training to do what he loved most, protect and serve our community.

Tim was born on June 29, 1970 at Sibley Hospital in Washington D.C., son of Robert Michael and Rita (McCabe) McClanahan. He and his family lived in Vienna, VA until 1986 when they moved to Lewes, DE. Tim graduated from Cape Henlopen High School with the Class of 1988 and then continued his studies at Delaware Technical Community College.

Tim was a master of many trades and worked at several local businesses in his life: Best Ace Hardware, Rehoboth Beach Police Department, Grand Rental Station, North American Homes, Snap on Tools, Snookies Speed Parts, Schagrin Gas, WMF Watersports, the Delaware State Fire Marshall's Office, Priority One Air Rescue, Baker's Petroleum, Delaware State Fire School, and Bay Shore Small Engine Repairs with his father.

Tim could fix absolutely anything. He was the youngest Briggs and Stratton certified master mechanic in Delaware and could tune a small engine only by its sound. Tim was also an exemplary teacher. He was patient and understanding and could explain the smallest details with ease.

Tim started his lifelong dedication to emergency service in 1991. He was a past member of Milton and Rehoboth Beach Fire Departments and a current member of the Lewes Fire Department where he achieved the rank of Assistant Chief. He had a true passion for rescue. Tim joined DART (Delaware Air Rescue Team) in 2010, a partnership with the Delaware State Police. DART is an exclusive and highly trained group of men dedicated to responding to emergencies across the state. He led the Build the Boat Campaign in 2008 which resulted in a state of the art Lewes Fire Boat, a vessel he designed. Tim was instrumental in the development of the Lewes Fire Department water rescue program. He was a highly decorated and hardworking fire fighter dedicated to the mission of public safety. Tim will be hard to replace.

To Tims families, both red and blood. I just wanted to say my heart breaks with yours. I did not know Tim. But as a public servant (ret. Police Officer) he was my brother in red. Lewes DE has been my second home for the last 50 yrs. as my families vacation spot. I am moving to the area soon permanently. Lewes is a very special town and the people are amazing. What i have seen...the support, love, coming together as a community in grief and love for Tim and the FD and his family is shared by everyone. The whole state of Delaware mourns this untimely loss along with you. May we all live a little bit like Tim did. Share our time, serve others in need, be a bright light in someone elses darkness. Give the very best of ourselves. Tims legacy is now up to everyone he has touched in his amazing short life. To carry his memory close. If we do this, Tim will live on. You all have a very special guardian angel among you...how blessed you are. My thoughts and prayers are with each and every one of Tims FF family and his Mother, Father, Son and Daughter, Fiance', and siblings and Aunts, Uncles, Cousins and Friends. May God wrap his arms around you and give you peace. Rest easy Tim. Gods speed.Dianne EvansMount Joy, Rapho Twp.Lancaster County PA.

What a beautiful tribute to a remarkable man. Tim was so kind, loving and generous with his heart. He was so quick to lend his smile and uplift those around him! In the worst of emergencies I often saw him provide comfort to victims simply by modeling calm assurance in the face of a crisis. What a huge loss for Lewes and even more so for his children. His legacy will live on, though. Kerry Kester, July 30, 2016
