Daniel C. Buchanan, age 39 of Lincoln, DE passed away on Wednesday, August 03, 2016, at Bayhealth Milford Memorial Hospital, in Milford, DE surrounded by his loving family. I went to school with Danny at Cape. He was a cool guy in school for sure, always real chill and real to himself, which I admired. I was able to catch back up with Danny several years ago and met his family and his wonderful wife Kelly. My thoughts are with you Kelly and my heart hurts for you and the boys. May knowing he is at rest give you comfort. Love to you all -- Terri

I had the privilege of knowing Danny through Sussex Tech. His love of his family he shared with me through our many talks. He is an inspiration to all Father's, Husband's and friends to be like him. I will try but He set a mighty high bar. His work is completed. God bless my friend. Carl

Praying for my sister Barb and her family, it's just so said to have a loved one taken from us at such a young age. Rest in peace Danny, I know you fought a long hard fight but in the end for some reason it just wasn't meant for you to win. But we know you are in a better place and no longer suffering, and you are in good company. Now you can keep an eye on your dad and grandmother! Love your Aunt Sharon.
