# Tina Marie Caputo

APR 17, 1964 - OCT 28, 2016

**T**ina M. Caputo, age 52, of Milton, DE, passed away on Friday, October 28, 2016. She was born on April 17, 1964 in Charleroi, PA, daughter of MaryAnn Caputo. She was the loving, caring, and supportive wife of Nicole Seifert-Caputo for 13 years.

Tina was a graduate of Slippery Rock University. She was an unselfish person, always working hard to take care of those she loved, making sure they were happy and safe, even if it meant things might be harder for her. Tina was an exemplary and stellar employee, always working above and beyond. She gave her best to everything and everyone around her. Tina was a devoted and loyal daughter, wife, friend, and confidant. Her friends were family to her, and she treasured each friendship deeply. She was the kind of person that was so wonderful, she made you want to be a better person simply because you were around her. Tina had a unique connection with special needs children and adults, always joking, laughing, and smiling with them. She will be greatly missed by all who knew her.

A Celebration of Life will be held at 3:00 PM on Saturday, November 12, 2016 at Parsell Funeral Homes and Crematorium, Atkins-Lodge Chapel, 16961 Kings Highway, Lewes, DE where friends may visit beginning at 2:00 PM.

In lieu of flowers, the family suggests contributions in Tina's memory to the Special Olympics of Delaware, 546 South Bedford Street, Suite 2125, Georgetown, DE 19947.

I worked with Tina at CEI. To know Tina, was to love Tina. She was a beautiful person inside and out. Tina was thoughtful, considerate and caring. One of her most endearing qualities was her humor. She would walk past my office and glance through the window to make sure I saw her. She would keep walking as if she were going down a flight of stairs. On her way back, she would repeat the skit. I laughed every single time, it never got old. I have Tina's family and friends in my thoughts and prayers. Tina was a very special gem. Camille Calvoni

Tina was a great friend and coworker. I would have never joined the safety committee if it hadn't been for her. She made it so much fun. Every year when we had safety week at Dart she would send out a sheet for volunteers. When I got the sheet she had already "volunteered" me for the same time slot with her. Of course I would say thanks for "volunteering" me and she would laugh. It was so much fun spending that time with her. I'm so thankful that she came to Dart. Not a day goes by that I don't think about her. Much love to Nicole and Tina's mom

We met Tina and Nicole in 2007 on a wonderful trip to the Dominican Republic, and saw them only one other time in New Hampshire later that year. Even though we didn't know them for a long time, we all felt very connected and stayed in touch, mostly during football season while our Patriots were playing Tina's Steelers. The Patriots usually won, and she hated it!She was always happy and her smile and infectious personality brightened the room whenever we were with her. Our hearts go out to Nicole and both her and Tina's family. This picture is from our Dominican trip. We will never forget her.Love to Nicole,Lisa Adams and Andrea Howard

I chose the yellow candle as WE ALL KNOW Tina loved "her Steelers". Tina was a bright sunshine! She made everyone feel like a friend. I worked with her at Dart Container and when I would visit the plant, I would seek her out to chat and hear all about the safety projects she was working on. So very passionate in her work!! I have many favorite memories but the one I would like to share is fairly recent. It was the Friday before she passed away and Tina was wearing her Steelers shirt and I was wearing my Ravens shirt. Of course, some lighthearted bantering ensued. I reached over to grab my cell phone and said - Hey, let's get a photo! Tina thought I meant SHE was going to take a photo of me and another co-worker. NO, I wanted a photo of the two of us. Not once did I think this will be our last photo, the last time I will see and hear Miss Tina give me heck. I will forever treasure that photo. I have stared at that photo a few times with tears streaming down my face. Tina will be missed...My heart goes out to Nicole, Tina's mom and all her family and friends. Gone too soon... May her smile live forever in all our hearts.

I will always remember her willingness to do so much for the site and for others....the way she smiled and laughed ...made me laugh during some tough times....asking me to drive her to work because of the snow. Her ability to lighten the lives of others will not be forgotten. Deeply saddened but have hope that the lives she touched will always carry her spirit and help make this world a little more bearable. I know Tina did that for me. Peace, love and comfort to all

And for her family members, I wish you comfort in knowing that people cared about Tina far beyond your reach. While we haven't talked in ages, it was always warm when we ran into each other. I have thought of her often over the years and wondered where she was at times, so I never forgot her. We were roommates once and roommates are family members.
