Daniel J. Dean, age 76, of Milton, DE passed away on Wednesday, November 09, 2016, at his home. He was born on April 2, 1940 in Sharon, CT, son of the late Martin and Marjorie (Bussett) Dean.

Mr. Dean is survived by his beloved wife, Diana (Petrosky) Dean; his daughter, Pamela D. Weisberg and her husband, Russell, of Brunswick, NY; his brother, Thomas Dean, of Millerton, NY; his brother-in-law, Stephen Petrosky, of Jonesboro, AR; his grandchildren: Christopher Rhodes and his wife, Nicole, Alise Weisberg, and Edward Weisberg and his wife, Jaime; and his great-grandchildren, Adison Weisberg and Reese Weisberg.

Dan and I worked many years together. He was the best when the job was the hardest and complicated. His calmness and ability always amazed me. He was a friend and brother in linework. He will be missed by all the linemen who ever had the privilege to work with him. I have great sadness in losing my friend Dan Dean. Our heart goes out to Dan's wife Diana and family for their loss. We're so sorry to hear of Danny's passing. We haven't spoken in decades but always hoped to reconnect. Danny had a huge influence on me in my early adult life as my mentor and kind of a "big brother". Danny will never know how much he taught me and helped me along. He always had a big smile and made our difficult jobs a pleasure. Our condolences to Diana, Pam and all of the family. Tom & Patty Norwood

Diana So very sorry for loss. I haven't been your TR neighbor for very long but Dan was wonderful. Always checking to see if I needed any help with anything. Sometimes I'd find something fixed without ever asking. I'd truly appreciated all those things he did. Will miss him at the 16th street happy hours and end of year party. My thoughts are with you and your family during this difficult period. God bless you

I ONLY WANTED YOU they say memories are goldenwell maybe that is true.I never wanted memories I only wanted youA million times I needed you,a million times I've cried. If love alone could have saved you,you never would have died.In life I loved dearly,In death I love you still.In my heart you hold a placeno one can ever file.If tears could build a stairwayand heartache make a lane,I'd walk the path to Heaven,to bring you back againOur time on Earth has ended,and nothing seems the same,But when God calls me to be with youOur love will live again.
