As a fellow language arts teacher at West Middle School, Tammy and I shared the woes and the joys of the job. We also provided support to one another at various times. Tammy was a blessing to me and to so many others with her kind words, gentle spirit, and cheerful personality. She often spoke of her children, and while I do not remember specifics, I do remember the love she had for you and the pleasure you brought to her life. May God bless you as you mourn the loss of this great lady. SuHelen Myers

As a colleague at West Middle School for many years, I was privileged to benefit from Tammy's kindness, friendship, sense of humor, and extreme professionalism. We have lost a good friend and gentle, caring soul. My prayers go up for Tammy's family. In sympathy, Ed Williar

I had the pleasure of getting to know Tammy while she was teaching at West Middle School. We were never on the same team but all of the sixth grade teachers were very close. We often got together for lunch on Fridays as well as dinners and parties outside of school. It is with much sadness I read of Tammy's passing in the paper this morning. I am sure she will be greatly missed. She was a lovely lady. Sending thoughts and prayers to her family at this difficult time. Martha Keane
