James Wesley Fagg

SEP 21, 1963 - APR 7, 2017

James "Taxi" Wesley Fagg, age 53 of Lewes, DE, left this Earth on Friday, April 07, 2017, at Beebe Healthcare in Lewes, DE, after a 2 year battle with cancer. He was born Saturday, September 21, 1963 in Wilmington, DE, son of Catherine (Holcomb) Fagg and the late Wesley J. Fagg.

Known for his raspy voice and outspoken opinions, James always drew a crowd anywhere he went. He loved his small town of Rehoboth Beach and could always be found helping someone in need, eating a Louie's grinder, or just enjoying the ocean view. James always told his children: "When you leave this world, leave your mark, not your stain".

James is survived by his wife, Terry; his loving mother, Catherine; his three children: Brooke, Wesley, and Andrew; his brother Rocky; and his three beloved grandchildren, who loved their "Granddude".

A Celebration of James' Life will be held on Saturday, May 13, 2017 in front of the Henlopen Hotel at 1:00 PM, where James loved to spend his down time. ALL ARE WELCOME! "Rehoboth Beach, Come On Vacation, Leave on Probation!"

Please sign the online guestbook located on this site.

We first met James as our son's t-ball coach at Rehoboth Little League, and I remember well how he made sure everyone had fun, got to play, maybe learn a little about the game - and then get a great snack! Exactly what you hope for in a coach for your t-ball-aged kids. We continued to cross paths in Rehoboth for many years, and I remember well getting more than one bottle of water as he made his rounds. My last, great memory of "taxi" was when he was running a lock-out service, and he got the call to help one of my family. He was there in minutes, so nice and kind, and of course, wouldn't take a cent. So few like him, so happy to have know him.

Taxi was a character - and one of the good guys. He was always willing to lend a hand to anyone who needed it. He was the first to promote all the best things about Rehoboth Beach - and Lewes. Taxi was there for everyone - whether it was unlocking a locked car door, or helping to raise someone's spirits, or just with a kind word - he's the embodiment of what we all should strive for in our lives. Love and kindness and he's passed that on to his kids and future generations. My condolences to his family and friends. As Billy Joel said it - "only the good die young."

Taxi was a gentle giant from his days with the Rehoboth Little League with his passion for the kids, to helping anybody who needed help, he was always there for you. He would always stop on hot days when he saw me delivering the mail and give a bottle or two of water. He gave water to many others on his travels. It's said that you reap in Heaven what you sow on earth and Taxi will be reaping much. He will be missed by many. My condolences to his family and friends of which he had many. I first remember him from buying penny candy when I worked at Snyder's Store in Rehoboth and he was about 6.
