My condolences to Mark's family and friends. I remember Mark from Pizza Villa - he was always so nice and had a kind word for everyone. It's the small acts of kindness that make a difference - he was a very special person who made a difference in people's lives without even knowing it. I'm sure he will be missed and fondly remembered by many people. I know I'll never forget how he always brightened my day. Prayers to his family and friends. Mags

Genny And James lit a candle in honor of Mark .

Sandy, so sorry and saddened by Marks passing! I felt sick hearing the news and walked around all day disbelieving I would never have a conversation or scratch on the back with the comment "I love you girl " again..I have loved him since his early days at Townsends and I will forever miss our crazy conversations. He loved you and the girls to the moon and back and his face lit up when he talked of you--many many times he said his world changed for the better the day he met you. UNBELIEVABLE!! That he is gone! You are all in my prayers and James and I are here if you need anything--love and hugs sweet friend.
