I'm so grateful to have had the honor to share several holidays with you at the beach these last 3 years. Just this past Easter you had shared your gratitude of being surrounded by your family for another holiday dinner. I'll forever look back (and laugh) at how you always teased Ross for being stubborn while giving him the "side eye" and how, without fail, you always asked when are we gonna get married. So many fond memories you've given me in my short time as a part of your family! You are deeply missed and loved, Pop! ~Trisha

Dear Pop, There are so many good memories together I will never forget; trips to Rehoboth Beach as a child, playing at Funland on the rides, Grotto pizza breaks, taking rides in your little cars, picking crabs and drinking beer, sitting on the back porch with you, Nanny and Mazy in the hot Summer mornings sharing a bowl of cereal, quizzing me on your crossword puzzles, helping me with my homework, watching you build things, tinker with your garage tools and telling stories to make me laugh! Our hearts are very sad and we will miss you always. Rest In Peace. We love you. Erin, Kyle and Emma Grace Burriss

Bob, Bobby Lou, & Pop, We loved you, you made life growing up fun and exciting, never a dull moment. You were always great to your children, grand children and great grand children, they loved you! You were a hard working family man that knew how to provide and manage your money. I believe your best moments and best times were selling hearing aids, you truly loved your job and being the TOP dog! You were our top dog and Pop and will truly be missed. Rest in peace (please), say hello to Shirley, Mary, Creighton and Paul, get the party started. Love, Bill and Laura
