For many years she was employed by Cape Henlopen Schools as a cafeteria worker. She was a lifelong member of Conley's United Methodist Church in Lewes. David and Bobby and Family,I have such fond memories of your parents and enjoyed visiting your mother about a year ago when we were in the Lewes area. I, and my family, have such wonderful memories of our fellowship at Conley's during my years there before marrying and moving to North Carolina. She was a wonderful, caring, compassionate lady and will be missed so much. God bless all of you.Bobby and Judy (Hopkins) BriggsLexington, North Carolina

When I was a little girl, my Aunt Pauline and Granmother lived next door to each other. I was constantly going over to Aunt Pauline's to hang out with one of my two cousins. When I would knock on the door, she would ask me who was there?, and it became our joke that I was Little Red Riding Hood. I don't know why her, but it went on for years...
