Doris, Duane, Mike & family, I can truly say Mike had a "bigger than life" personality. We loved hearing his stories and any time spent with him was a good time. We will always remember those times spent at Cherrystone and DisneyWorld - we were so lucky to have been able to share those memories with your family. Our hearts grieve with you, but know you will find comfort & peace in your faith and those special memories of a wonderful life shared with Mike. God Bless! Andrew & Debbi DiMartino
