My heartfelt sympathy to you Diane and all of Vickie's family. Our years together playing 3.0 tennis were so much fun thanks to the two of you! You were wonderful teammates and even better friends. So glad we got to reconnect at the McDevitt-Trinity matches and that my daughter got to meet "Klepto".To "Klepto" -may the pockets of your shorts be lined with all the tennis balls in heaven... just as they were here on earth. (I nicknamed Vickie "Klepto" because she always ended up with all the tennis balls in her pockets at our matches! This would always make her laugh!) Rest in peace and know you will always be missed and treasured.Love, Melinda Joyce

Vicki's presence always made a tennis match special. She was our cheerleader. Victories seemed to buoy her as much as us. Her absence will create a gaping hole on the sidelines.

At the memorial service for Diane's father this past year, I was struck by how supportive and caring Vicki was. Even then, at a time of such great loss and grief, her sense of joy was evident. She buoyed Diane's spirits that day and made a difficult time easier by showing that the love we enjoy here and now is simply a foretaste of what we can expect when we are in Jesus' embrace in the life after this one.
