Jean I love you and miss you so much! In the 8 years we knew each other we shared so much! Laughter, tears, helping each other through tough times! I say "hydrangea" daily and giggle a little thinking of how that came about! You have left quite a legacy, 2 beautiful, caring, loving daughters and 6 wonderful, funny, talented, loving grandchildren! I was blessed to have you in my life and shall remember the great times! You live on in the hearts and minds of everyone you touched! RIP my dear friend! Sandy Mintz

I was Jean's co-worker and nursing supervisor at St Clare's in Danville NJ. I remember her fondly...she was smart, hard working but above all the most caring nurse. I remember her delight and pride in her daughters April and Susana. She will be missed. Meg Honigsberg RN
