My brother, Tony, was a patriotic Marine who served his country during the Korean conflict with honor. He was also a most loyal employee of the General Electric Corporation for over 37 years. As a family man he and his wife Betty raised a wonderful family of two boys and three girls, as well as numerous grandchildren. Devoted to his Catholic religion, he took his Marine training and experience as a facility planner to direct a group of volunteers in the construction of three buildings for his Church, St.Jude the Apostle Catholic Church. As my brother, I will always remember him for the many wonderful years we shared growing up in New Jersey. He will be missed, God Bless and Semper Fi. Love, your brother, Bud and his wife, Dee.
