My deepest sympathies to the family. I can still hear Bill calling me in my yard... "Mint, hey Mint!" He used to come over and talk and hide his little cigar from Regina and Jennifer. He was the best and I enjoyed getting to know him. Bill was my friend and I am very sad to know he is not with us anymore.

Monday mornings was always special working with Bill. He loved working with all of us, my goal was to make Bill's face turn red. Bill would talk about his NJ life (taxes), his job, his childhood but, most of all his family. Bill loved those little kiddies and the wallet would come out with the pictures. Bill and I would get into discussions about lawn services and who had the best prices. Even toward the end when breathing was so hard for him, he gave it his best. Know Regina he was so proud of his marriage. I will miss his smile, his laughter. Thank you BILL for being my friend. linda dahl

Heaven is receiving a treasure. I didn't get to see you very often as I got older, but I remember like yesterday. You carrying me around in the summer. Always listening as if interested in what I had to say and being willing to share insight and pointers on golf. You were my Godfather, but most importantly my friend. God Bless You, Regina and the Family. Daniel and Ana Whipple
