I had the pleasure of meeting Jack at the Rookery; as a result I had the pleasure of his company for many rounds of golf over the years; he was most of all fun to be around – competitive and a true "character"; I did get to know him better following the golf on the back porch; he will be missed!! Jack was one of the most intellectual people I've ever met. He had such a broad range of knowledge and wouldn't hesitate to share it. I'll always remember the many bowling nights at Milford Lanes and the wonderful times we shared at the Dutchman Pa. bowling tournaments. He would take the shirt off his back and give it to you if you needed it. It's a very sad thing to loose such a good friend and great person. I know we'll meet again. My condolences go out to his wife and his family. Dennis Moore

Because of my faith, I believe Jack is in a better place with no more pain or suffering. He is back to being the Jack I knew and will never forget. He is doing the things he loved to do - fishing, bowling and, of course, playing golf. Jack helped me through some tough times in my life. He was always there for me, and always had my back. He took the definition of friendship to a different, higher level. There will always be a void in my life - there will never be another Jack - Love you, man. Ed Merna.

I live in the Seasons community, and I knew that Jack and I would be buddies as soon as I saw the Eagles license plate on his van. So glad I took the opportunity to give him a big hug the last time he was in the neighborhood. Warmest regards and deepest sympathy to his family and friends. Jeanne
