I am deeply saddened by the passing of HoHo. I have known him since I was a small child. He always had a big ole smile & hello for me, no matter where we were or how long it had been since we last saw each other. He was also true friend to my Mother during her short life. May the Lord wrap his arms around his family & bring them comfort in this time of sorrow. Please know that I am covering you in prayers of peace, love & light.
