I will cherish all the wonderful talks we had at all the family gatherings we attended together for almost 4 decades. We will all miss his shy smile and gentle laugh. So gentle, so thoughtful and most of all so very very KIND. He has given joy to so many hearts. David will be missed by all of us. I am so sorry to hear of the passing of David. I grew up with the whole King family and as kids we always called him "Buddy". He had a big heart and was always doing something nice for others. I rode to school with him everyday for two years and he never complained if I was late or wasn't ready. He was truly one of the good guys and will be missed. RIP.

Dear Eileen and family, Please know that I am thinking of all of you at this sad time. I never got to know David, but I've certainly heard a lot about him. He will be missed by so many. Gosh where to begin..... Words CAN'T express how much he will be missed. Dave is one of the good ones. Only a hand full of men fit into this category. You can see how much he loved Eileen just by the way he looked at her, that said it all. Dave loved his children and grandchildren just the same. It was bigger than the smile he ALWAYS had. I never seen Dave mad or even have a cross word to say. He was laid back and easy going. I'm SO sorry for your loss. When someone says "He will be missed" that is the truth. Dave will be missed by everyone that knows and loves him and always will be.
