I am so deeply saddened by death of Sharon. She was my close friend and cousin. I loved her! I will miss her greatly! I know that she loved with her whole heart! She loved you Jim, Scot and Tomi. She would talk a lot about you and how very proud she was of you both! She loved her grandchildren with her whole heart. I as you, will miss her positive thinking, her encouragement, and her love. She had a strength about her and she would tell it like it was. She has run the race and has won it! She longed to see her folks. I am so very sad but she is in God's loving arms. You are in my prayers. Love, Jodi Cummings (a cousin)
