Doris Ann and I were friends and sorority sisters from high school and kept touch all these years. Though we saw each other rarely, we kept touch via e-mail and phone calls. I will miss her very much. Nanette Hauprich

Doris was a wonderful woman and my mother's best friend. Over the years I came to love her for what a special friend she was to my mother. They loved to play cards together. Doris spoke at my mother's funeral about how much she loved her and was going to miss her. She had a wonderful laugh that I will always remember. After my mother passed, I always called Doris on Mother's Day, it seemed the closest way to connect with her. She was such a happy person and loved everyone, I'm so honored she shared some of that love with me.

Doris was a wonderful addition to our Red Hat & Lunch Bunch Group. She always added such style and class to our luncheons. A Delightful Lady who will be greatly missed by all.. Our deepest sympathy goes out to her family. Whenever she spoke about her family, her eyes lit up and a big smile came over her face. She was very proud of her family and you could see the love she had for them. We are really going to miss her. We send our love and sympathy to her family. Sincerely, Carolyn White, and all the women from the Scarlet Ladies Red Hat Group & Lunch Bunch Group.
