I always looked forward to seeing Theresa at "Christopher" and Chrissy's Christmas Eve gatherings. Her jokes and little dance reflected what a character she was. We would chat about our growing families, how good Andy was to her and how blessed we both were. Back in the day she would cut my hair, we would solve world problems, I loved our conversations about food and liked hearing her recipes. She made a peach cobbler that was like no other. Her love for Andy and her children, grandchildren and great grandchildren will live on,

She was the best Oma in the world! She was always there for me whenever I needed it. From the major life events like First Communion, Confirmation, Graduations, and allowing me to live with her when I got a teaching job in Delaware to the smaller day to day events like summer days at the beach, childhood haircuts, random visits after school both as a child and an adult, and acting as a tour guide on long drives to make us laugh. I was lucky enough to have her in my life for 38 years. Her passing has left a big hole in my heart. She always asked me when I was leaving if there was anything I needed and I always smartly replied, "a million dollars." Now all I need is for her to be at peace and watch over me from above which I know she will! I was her first grandchild and she will always be my #1 Oma! I love you Oma! ❤️❤️❤️

Theresa and Andy have been such special friends to us especially when we all lived in Highland Maryland. We raised our families together and she was an extra grandmother that my children loved dearly. She was my special friend, my confidant, my advisor, and cohort on many occasions. Such wonderful memories and moments of laughter will always be with me. John and I and Alissa, Bryant and Caryn send our love to Andy and the entire family.
