Greg and Gail, Keith and Jeannie, and all the Mack family -- my heart goes out to you. Mary Lou was a truly good woman who influenced many people in her lifetime. She was so proud of all of you, especially her boys, and the things you've accomplished in your lives. I can only imagine how much you will miss her. She was so kind to my own Jon, too, and I will always be grateful for that. She and I met late in our lives, but that beautiful smile and her thoughtful ways made me feel as if I had known her for a long time. I will miss her, too. Sincere sympathy from the last of the "Rock Moms," Pat Sibert

I have know Mrs. Mack for about 25 years. She always had a smile on her face and a nice word to say about everyone. She would be the first one to offer a helping hand. She delivered Meals to people much younger than herself and she would be there to listen and care about each and everyone of them. I just loved her. She will be deeply missed. Tina Wright
