My heart goes out to all of Sam's family, friends, fellow musicians, and co-workers all who knew and loved Sam. I can still remember him going across the shop at Burton's singing and carrying on . . he will be missed by me and so many! I will try to share as many photos and dates as I can find. The memories are endless and although I shared the younger part of his life, he has left a profound mark on mine and many others close to me including our daughter and grandchildren. Love you, See You, Bye Sam!
