Bill & Vivian, I am so sorry to hear of the passing of your mother - she was a wonderful woman and will truly be missed. Having just returned from vacation, I apologize for missing her services. I have talked with Dad, and he is deeply saddened. He worked closely at church for many years with Pat and always had fond memories of both your parents. On behalf of Dean family, I want to express our deepest sympathies and we will keep all of you in our thoughts and prayers. John W. Dean

Pat and myself were school mates , maybe a year apart, but school mates.. I remember in 1946 taking her to the movies once or so.. She was a country girl, had to arise early am to help milk cows, so she had to be back home soon , very soon, after the movie, I remember. This Rust family attended the Westminster Presbyterian Church in Rehoboth very faithfully..

My deepest sympathies to Vivian, Bill, & their family's. I remember the days when Rehoboth Beach was smaller & we saw each other more - the years of church while growing up shared with your family (Mom, Uncle Victor, their Mom, & all you kids), also your Mom working at the bank. She was always a very nice lady & well put together! May she rest in everlasting peace.
