## Walter Thomas Robinson, Sr.

Walter T. Robinson (“Walt”), passed from this world to the comfort of God’s embrace on July 18, 2018. He is predeceased by brothers William, Herbert, and Joseph.

Walt was born on August 6, 1929 to loving parents Gertrude (Woods) and William Thomas Robinson in Newark, New Jersey. He played varsity basketball for Central High School as the starting guard, and in his senior year led the team to a New Jersey State Basketball Championship. Walt served in the National Guard during the Korean War. He was a talented athlete, skilled at golf and tennis, winning several club championships.

In 1952 Walt married the love of his life, Darlene Murphy, and together they led a full and happy active life raising four children in Newark, Cranford, Colts Neck, Westfield, Spring Lake and Medford, New Jersey. Walt loved the outdoors and friendly competition. He loved every sport. He loved the sea, he loved to fish, and he loved to laugh. Most of all, he loved his family. Proud of his children, he regarded their accomplishments as his greatest achievement in life. Walt spent most of his 89 years making friends wherever he went. Not only did he always know how to make people laugh, he just made people feel better, no matter the circumstance.

Following a long career as a senior salesman for Dresser Industries in 1991, Walt and Darlene retired to Vero Beach, Florida to enjoy retirement playing tennis, golf, walking on beaches and boardwalks, painting, traveling, and spending time with their children and grandchildren.

Walt had an innate curiosity about all things. He was an artist at his core, and he had a deep appreciation for beauty and nature. He was charismatic and funny. He was kind, clever, wise and compassionate. He loved life, he loved children, he loved Christmas and he loved surprises. He also appreciated good newspapers, often reading two each day. Music was very important to him. A true animal lover, they loved him right back. Dogs sought his touch and playfulness, and
