With deepest sympathy to the Whitney family. Billy and my son Matt were in school and Boy Scouts together. I always remember Beverly always having the time to stop and talk whenever we ran into each other. Denise Brady and family

I'll never forget the time you and Billy helped us move to VA. Beach. You two were dating..we took everyone to Captain George's, and Billy stuck crab legs in your purse for a snack later! How we laughed! Rest in peace my friend. Bill and family, my heart goes out to all of you...God is with you !

Beverly was not only my sister in law we grew to be friends. Her love for my brother and her children (Ashley and Billy) was truly an example of who she was. She always put others before herself. May she rest in peace and soar with the angels my sister. I love you

Bill, Billy and Ashley, So saddened by Beverly's illness and passing, the world was a better place because of her kind and loving presence. Knowing her, as my neighbor, for only a short time since they moved here to Lewes, she was a perfect fit in our community, a lover of nature, peace and calm. I'll miss seeing her in her rocking chair, on the deck with her family. My prayers continue in hopes of comforting each of you. Bernadette Pflanz Beach Plum Dunes

Thinking of you, Billy, and Billy and Ashley, and Cindy and all the family and friends who are mourning Beverly. Sending love and prayers your way. I first met Bev as a little kid. Our houses were only a couple of streets away in Ardsley. We became very good friends and stayed close friends throughout our childhood, teen years, and early 20s before we lived far away from each other. Bev came to my college graduation in upstate New York, and we attended each other's weddings. We also once rented a tiny cottage on the beach in Cape Cod and went on vacation together. We kept in touch off and on throughout the rest of our lives, and it had been so great to reconnect a few times in person after Bev and Billy relocated to Lewes. I have so many wonderful childhood memories of doing different things with Beverly and spending time at her house with her mom and sister, too. Beverly loved her husband and children so, so much. May God keep you all in His loving embrace.
