I first met Maureen and Bob over 20 years ago soon after they moved into their new home on Edgewater Estates. I greeted Maureen and Bob into the neighborhood with a Lifelong Learning catalog in hand. She and Bob became avid Osher lifelong learners. For years, Maureen led a Tai Chi group every Tuesday year round until July when she became ill. I was privileged to be part of that group and will lead that group in her memory. Maureen was a dependable volunteer for Osher's annual picnic, semester end luncheons, Rehoboth Cottage Tour, Lewes Christmas House Tour and Garden House Tour. She also served on the Board of Edgewater Estates and diligently followed through on her duties. I recall Bernie and I throwing an overly ambitious open house party and fell behind with food preparation ... I picked up the phone and asked for help. Maureen arrived within minutes. Bernie and I will miss Maureen as a neighbor and as a fellow member of Osher Lifelong Learning. May Bob find peace in knowing he was always by her side. Dolores & Bernie Fiegel

When Jim and I relocated to Lewes, almost a decade ago, we had the good fortune, of landing ourselves across from one of the best neighbors possible, in Edgewater Estates. Maureen and Bob came over, and introduced themselves, welcomed us , along with congratulating us for choosing one of the best places to live, on Edgewood Dr.. We have never regretted a minute of it . We chatted in the driveway, at the post box and soon learned a bit about each other's lives. She invited us into their home to share wine and conversation. Maureen would mention how she enjoyed seeing our company of grand daughters come for visits as they would play, dance and sing in the yard. Maureen even shared a few 'treasures' with them. We will miss seeing her tend to her flowers , shrubs and vegetable garden; especially the tomatoes that we were welcomed to enjoy. She enjoyed her earthly travels in life and now will transcend to travel the heavens...
