Mary Beth and I met at work twelve years ago and we became fast friends. I will miss all the things that girlfriends share together. We had so much in common it was destined for us to cross paths. I will miss your smile, your laugh, the chats we had but most of all you. With deepest sympathy. Linda Parks

Mary Beth and I were the best of friends in our Middle and High School years. I have a lot of good memories of her. We spent every day chatting on the school bus to and from school about everything. We were next door neighbors as well. I would just have to take a little walk down the road to visit with her. We were in Marching and Concert band together and she always sat with me on the bus to and from Football games and Band competitions. I have so many memories of band camp, school events, shopping, movies, and long late night telephone conversations, and just "hanging out" together. I remember one time she decided to paint her bedroom closet this awful bright green color. She called me over to assist her. We were covered in green paint that wouldn't wash off for weeks! We had such a blast, though, just doing "every day activities" with a each other. It was nice to have such a loyal companion. We went to different colleges and she moved away to another state. We kept in touch with cards and social media in our later years. She was my "best friend" for many years. I am glad to have known her and to have been blessed by her friendship for many years. God bless her family and friends. May God bring you comfort at this difficult time. Sincerely, Kim Diaz

Mary Beth was such a good roommate at KU! On my 1st days at KU, I lost my checkbook and Mary Beth loaned me money to buy books and such. She was such a kind, funny, and generous human being and she will be missed forever. My thoughts and prayers to her family and especially her adorable girls.
